Dear Sir

### **Waratah Avenue Planning Proposals**

I write to express concern about, and opposition to, the proposed planning changes for Waratah Avenue, Dalkeith, to permit high rise development. My wife Tonya and I are totally opposed to such development, which would radically change the character of the neighbourhood, to the detriment of local residents, all of whom (including me and my wife) are ratepayers within the City of Nedlands, (we reside at 170 Waratah Place, Dalkeith). We fully support the submission by PADD on this subject.

Yours faithfully

**MALCOLM McCUSKER AO QC**
